Why O₂?

Together with

O₂
business

armstrongbell
NETWORKS & TELECOMMUNICATION

For O₂'s award-winning network

Whether you're working from home, the office or on the go, O2 will help you stay connected to your customers and employees, and keep your business running.

- O2 were voted **Best Network for Reliability** three years in a row[1]

- O2 is continually investing in their network. Their 4G network covers over **99% of the UK population**[2] and they have 5G in over **450 towns and cities**[3]

- Travel for business? Get the flexibility of EU roaming at **no extra charge**, up to 35GB[4]

So wherever you are, you'll get the coverage and reliability your business needs.

GWS Best Network For Reliability
2019, 2020 & 2021

Mobile Industy Awards 2021
Network of the Year
